

Click on the links below to download publications on husbandry and/or transport of marine animals authored/co-authored by our team or that benefited from the assistance of the Flying Sharks team.

- [The effect of rapid decompression on barotrauma and survival rate in swallowtail seaperch \(*Anthias anthias* \)](#)
- [Capture, husbandry and long-term transport of pilotfish, *Naucrates ductor* , by sea, land and air](#)
- [Lepeophtheirus azoricus parasitic on dusky grouper *Epinephelus marginatus*](#)
- [Collection, transport and husbandry of the blue shark *Prionace glauca*](#)
- [Marine Ornamental Species Aquaculture - Chapter 26 - Packing and shipping](#)
- [Portuguese Commercial Fisheries of Swordfish, *Xiphias gladius*](#)
- [Elasmobranch landings in the Portuguese commercial fishery from 1986 to 2009](#)
- [Ten new records of marine fishes in São Tomé, West Africa](#)
- [Holothuria stress response to capture and transport](#)
- [Blue sharks \(*Prionace glauca* \) as bioindicators of pollution and health in the Atlantic Ocean: Contamination levels and biochemical stress responses](#)

- [The potential of cholinesterases as tools for biomonitoring studies with sharks: Biochemical characterization in brain and muscle tissues of *Prionace glauca*](#)

- [Notes on the long-term transportation and husbandry of Bull rays and Dolphinfish](#)
- [First record of Whale Shark in continental Europe](#)
- [Os aquários \(Guia das Escolas e Profissões do Mar 2012\)](#)
- [New geographic distribution for Northeastern Atlantic species](#)
- [Fish diversity in the Berlengas Natural Reserve \(Portugal\)](#)
- [Flying Sharks \(Bioaquária\)](#)
- [Long-term transportation, by road and air, of Chub mackerel and Atlantic bonito](#)
- [Long-Term GPS Tracking of Ocean Sunfish *Mola mola*](#)
- [Tubarões e raias em Portugal \(Portugal Dive\)](#)
- [Satellite tracking of the World's largest bony fish, the ocean sunfish in the North East Atlantic](#)

- [Role of sensory cues in food searching behavior of captive *Manta birostris*](#)
- [Flying Sharks: a captive shark's tale \(Shark Focus\)](#)
- [Long-term transportation of Devil-ray, Meagre and Sunfish \(our very first *Flying Sharks* paper!\)](#)

- [Observations on the catches of small tunas from a trap off the Algarve](#)
- [Domestication and GnRHα-induced spawning of meagre, *Argyrosomus regius*](#)
- [Reproductive biology and population dynamics of the shortfin mako, *Isurus oxyrinchus* , off the southwest Portuguese coast](#)

- [Food habits of the shortfin mako, *Isurus oxyrinchus* , off the southwest coast of Portugal](#)
- [Movement of blue shark, *Prionace glauca* , in the north-east Atlantic based on mark-recapture data](#)
- [Census of elasmobranchs in public aquariums](#)
- [Research on elasmobranchs in public aquariums](#)
- [Elasmobranch transport techniques and equipment](#)
- [Long distance transportation of the scalloped hammerhead shark, *Sphyrna lewini*](#)
- [Long-term transportation of Ratfish, *Hydrolagus colliei* , and Tiger rockfish, *Sebastes nigrocinctus*](#)
- [Buoyancy compensation problems in a sandtiger shark, *Carcharias taurus*](#)
- [Tooth loss rate from two captive sandtiger sharks \(*Carcharias taurus* \)](#)

Click on folder [/portugal](#) to access a list of other publications on Elasmobranch studies conducted in Portugal.

Click on folder [/iccat](#) to access a list of other publications on Elasmobranch studies conducted by [ICCAT](#) .

Click on folder [/fao_iata](#) to access FAO and IATA publications on live fish transportation.

Click www.iccat.int/pubs to access the complete list of ICCAT publications.

Click [E.H.M.](#) to access the full **Elasmobranch Husbandry Manual**, which is the most comprehensive work in Elasmobranch Husbandry to date.
